

Montimedia Better Choice ADSL Bundles

Information about the Service

The Better Choice ADSL Bundles are packages of Internet & Home Phone using a broadband technology for high speed internet and a landline service for home phone in one convenient account.

Requirements for ADSL1 & ADSL2+

You will require an active phone line for broadband to be connected; you will need to transfer your existing phone provider to Montimedia allowing you to benefit from the Better Choice Bundle package. A modem is required for ADSL1 & ADSL2+ connections, bring your own or purchase one from us and we will post it to you fully configured and ready to connect.

Minimum Terms

All ADSL Bundle Packages are available on a no contract month to month arrangement. All new ADSL connections have a setup fee of \$110.00 deferred and waived if the service is connected for over 12 months.

Information about Data and Calls – What is Included

If you exceed your monthly ADSL quota, we simply slow down (shape) your download speeds to 256kbps for the remainder of your billing month. Local, National and calls to any Mobile in Australia are included with the Better Choice Complete Bundle, Local and National calls are included in the Better Choice Value Bundle.

What is Not Included

Local calls that are forwarded from the service, National calls that are forwarded, Mobile calls that are forwarded, 13/1300 calls, International calls and other premium service numbers such as 19, 0198 numbers. Please refer to our website <http://www.montimedia.com.au/services/phone/mtelecom-voice/> for those standard charges. Mobile calls on the Better Choice Value Bundle, all calls on the Better Choice Budget Bundle.
